

Pet Haven

♥ Sample Bequest Language

Here is sample language for your Will that you may share with your attorney:

Upon my death, my executor shall arrange for my pets then surviving me to be given to First Coast No More Homeless Pets, 6817 Norwood Avenue, Jacksonville, FL 32208, phone: 904.425.0005, under the terms of its Pet Haven Program. In accordance with this provision, I give to First Coast No More Homeless Pets (the sum of \$ _____) or (all or ___% of my residuary estate.) Should my pets not survive me or not be surrendered to First Coast No More Homeless Pets, this bequest shall still be valid.

Nothing contained herein should be deemed to constitute legal advice.

Please contact your attorney or financial advisor to determine what fits your individual situation.

Programs & Services

The goal of First Coast No More Homeless Pets is to make Northeast Florida no kill. To achieve this goal, FCNMHP employs a multifaceted approach. To prevent overpopulation, FCNMHP provides low-cost and free spay/neuter surgeries at one of the nation's largest spay/neuter clinics. In addition, FCNMHP has programs to reduce the number of shelter deaths and keep pets in homes and out of shelters.

- **Spay/Neuter Programs:** Free and low-cost spay and neuter surgeries for pets, strays and feral cats.
- **Low-Cost Veterinary Clinic:** Low-cost vaccinations, microchipping and other veterinary care.
- **Pet Food Bank:** Pet food for low-income families.
- **Mega Adoption Events:** Weekend adoption events that are among the largest in the country.
- **Shelter Partnership:** Evaluation, rehabilitation and adoption of dogs and cats that, for medical or behavioral reasons, might otherwise have been euthanized at our city shelter.
- **Sulzbacher Center Partnership:** Temporary foster care for pets of homeless people.
- **Pet Haven:** A program for pets whose owners predecease them.

For more information about these programs, call 904.425.0005

Pet Haven

♥ If family and friends are unable to help, who will care for your beloved pets if you are unable to?

First Coast No More Homeless Pets has created the Pet Haven Program to help. Once your pets are enrolled in this program, you will have peace-of-mind knowing that, if the need should arise, FCNMHP will take in your enrolled pets, nourish and care for them as long as necessary, and provide any needed medical care until we find them a new home with a loving family.

♥ Durable Power of Attorney

As part of your estate planning, you should have a power of attorney that allows someone to act with respect to your financial affairs in the event you are unable to do so. Here is some sample language to share with your attorney to make sure that your pets are provided for:

In the event I am unable to care for my pets, my Attorney-in-Fact is authorized to transfer the pets to First Coast No More Homeless Pets, 6817 Norwood Avenue, Jacksonville, FL 32208, phone: 904.425.0005, pursuant to the terms of its Pet Haven Program, and if I have not paid the fee at the time of enrollment, to pay the enrollment fee.

For more information, please contact our Development Department at 904.520.7901 or email plannedgiving@fcnmp.org.

The mission of First Coast No More Homeless Pets, Inc. is to eliminate the killing of dogs and cats in our community.

♥ Enrollment Fee

The enrollment fee is \$10,000 for the first pet and \$5,000 for each subsequent pet. If paid at the time of enrollment, we will take your pets if you become incapacitated or are otherwise unable to care for them.

You may also pay on a deferred basis through a planned gift. A planned gift can be:

- A bequest in your will or living trust
- Naming FCNMHP as a beneficiary of your life insurance or qualified retirement plan
- Naming FCNMHP as the beneficiary of a "transfer on death" bank or stock account

Should your pets not survive you, we hope you will provide that your gift will still go to FCNMHP to help other homeless animals.

To enroll a pet, please call 904.520.7901 or email plannedgiving@fcnmp.org.

Please note that we do not take aggressive dogs, feral cats or animals with communicable diseases.
