

# WHERE CAN I ADOPT?

First Coast No More Homeless Pets is not a shelter, but we are proud to help make shelters stronger. As a member of the Northeast Florida No-Kill Coalition, FCNMHP administers innovative programs and solutions to help local shelters stay No-Kill. Use this guide to find a new furry friend at a local shelter!

## WHY ADOPT?

### ADOPTION SAVES LIVES

Millions of dogs and cats are killed in U.S. shelters each year. For every puppy or kitten produced by a breeder, there is an animal at a shelter who loses his or her chance at finding a home and is at risk of being euthanized.

### ABUSE AND NEGLECT IN PUPPY MILLS

Most animals sold in pet stores come from mass breeding facilities called puppy mills. Documented conditions include over-breeding, wire cages, little to no veterinary care, poor quality and/or lack of food and water, no protection from the elements, no socialization, and killing of "low-producing" dogs.

### HEALTH ISSUES WITH PET STORE ANIMALS

Too often, dogs and cats from pet stores and other sellers are not healthy. Many pets are taken from their mothers at too early an age and are sickly due to poor living conditions. At puppy mills, there is little regard for the dogs' health or any existing genetic conditions that may be passed on to the puppies.

### COST OF BUYING A PET

Adoption fees at shelters or rescues are less than prices at pet stores or other sources. Shelter pets are typically healthier, already vaccinated, and fixed.

# HIGH-QUALITY, LOW-COST VETERINARY CARE

First Coast No More Homeless Pets helps people and their pets when they need it the most. Our mission is to end the killing of shelter dogs and cats in our community, Northeast Florida, Southeast Georgia, and across the nation. ***WE ARE NOT A SHELTER; WE MAKE SHELTERS STRONGER.***

## VETERINARY SERVICES

FCNMHP helps thousands of people and pets each year with affordable veterinary care. Our prices allow pet owners to keep pets in their homes and can be up to 40% less expensive than other veterinarians.

With a full-service spay/neuter clinic and a veterinary hospital, FCNMHP offers the following services:

### PREVENTATIVE CARE

Ensure that your pet is safe from parasites, fleas, heartworm, and other illnesses before they become a problem. We offer the lowest prices for flea, heartworm, and parasite prevention as well as affordable dog and cat annual vaccine packages to protect your pet year-round.

### DIAGNOSTIC TESTING

We offer same-day, in-house lab testing to run bloodwork and diagnose heartworm, parvovirus, and other serious conditions.

### SURGERY

Serious accidents can happen, but luckily our team of expert surgeons can jump in to save pet lives with innovative surgery and emergency care.

### FREE & LOW-COST SPAY NEUTER

We offer low-cost and no-cost spay/neuter to encourage families to get their pets fixed. A fixed pet is healthier, happier, and helps to reduce the number of pets going into shelters (*and the number of pets euthanized in shelters!*)

### GENERAL, LOW-COST VETERINARY CARE

If you are struggling with the cost of your pet's veterinary care, we can help!

**Call us today at (904)-425-0005 to schedule a free office visit (coupon attached.)**

## TWO LOCATIONS

FCNMHP runs one of the largest spay/neuter clinic in the country and also the largest veterinary hospital from Orlando, FL to Atlanta, GA.
